Bringing it all together to end Summer Reading

The Summer Reading Express has left the station for the last time with the end of our program! With a combined total of 3,019 hours read by patrons, each age group contributed with adults having read the most by far this summer. The Library hosted in-person crafts, magical and musical programs as well as Storytime throughout June and July. New themed episodes of virtual programs *The Explorians* and *Mad Dan* are now available to watch on our YouTube channel. Prize baskets were awarded at the

Carnival finale event on Saturday, July 29. Participants who completed the 2023 Summer Reading Program will be awarded a completion certificate and a free book of their choice, available for pick-up at the Circulation Desk through August. Grand prize winners will be contacted individually. Thank you to the patrons who joined us for our programs and read all summer long! And thank you to our amazing Summer Reading Program sponsor Culver's!
