You'll be green if you miss the Library's St. Patrick's Day party

St. Patrick's Day marks a special occasion at the Allen Park Library...the first "It's Not Easy Being Green" party on March 17! The party will feature a cupcake decorating station, a green food taste-test, take-and-make crafts, an exclusive scavenger hunt for attending guests and more. In addition, all guests will be entered into a grand prize drawing for special themed treats. This event will be open to all ages with something for everyone! Staff will be dressed in green and guests are encouraged to do the same. Don't miss out on this very exciting event! The fun starts at 6:00 p.m. in the Library's Meeting Room. Please visit or call the Library at (313) 381-2425 for more details and information.
