## Bring your imagination to Roll Reversals

Interested in learning about the world of table-top role-playing games? Join us for Roll Reversals! Role-Playing Games (RPGs) are largely social games where the players take on the roles of characters to create a collaborative story. During each meeting, we will host an open-door teaching session using available books and digital PDFs of older and newer games, spanning various genres. All materials will be provided including dice, character sheets and more. Roll Reversals is open to ages 10 to 18 and meets the second and fourth Monday of each month from 6:00 to 7:30 p.m. For more information about this program, please visit the Library or [allenparklibrary.org](http://allenparklibrary.org).
