## Celebrate Library Card Sign-Up Month in September

What can a library card do for you? Library cards grant free access to not only physical materials such as books, DVDs, Launchpads and much more...they also open doors to a catalog of digital services! Using a library card, visit hoopla and check out their selection of over one million ebooks, audiobooks, movies and more! Libby has partnered with hundreds of libraries to provide patrons with a wide array of titles in ebook and audiobook formats, as well as magazines. Kanopy, a place to "enjoy thoughtful entertainment", provides access to both television and film content for all ages.
